Member NCUA

Extra Money in our Members' Pockets

Members who have a loan with BMCU will be receiving a surprise in their share account at the end of the year! BMCU is giving back a 2% rebate of loan interest paid in 2016. This means your credit union is paying its members back almost \$8,000!

For those with a loan, a rebate will be deposited into your share accounts as part of our loan rebate program. This rebate is not taxable, because we are simply giving you YOUR money back. Rebates apply to all loans and mortgages in good standing.

This is just another example of the benefits of being a BMCU member and the credit union giving back to our members. We thank you for another solid year of growth and look forward to continued success.

Annual Membership Meeting

Our Annual Meeting will be held Wednesday, April 19 at 11:45am in the 9450 Auditorium. Lunch will be served. There is no cost to attend. Please RSVP by April 14 to memberservice@bmcdcu.com or (816) 822-3189.

PROTECT YOUR ACCOUNTS AGAINST FRAUD

Burns & McDonnell Credit Union takes the privacy of our clients and the security of their accounts very seriously. Currently, there are a number of e-mail scams that are designed to trick you into providing your user ID and password. To help you defend yourself against these criminals, Burns & McDonnell Credit Union has compiled a list of simple online tips to help you safeguard your accounts and privacy from these online scams. We've also provided you with some general information on how to prevent account fraud and included links to the FTC's and NCUA's web pages that contain more detailed information about online safety, identity theft and online fraud. Please visit <http://bmcdcu.com/fraudprevention.html> for more information.
